

## Graduation Requirements

|   | Standard Diploma | Advanced Diploma   |
|---|------------------|--------------------|
| Bible*  | 4                | 4                  |
| English   | 4                | 4                  |
| Math  | 3                | 3                  |
| Science<br>(Biology, Chemistry, & 1 other)                          | 3                | 3                  |
| Social Science<br>(World History, US History, Government/Economics) | 3                | 3                  |
| Physical Education  | 1                | 1                  |
| World Languages   | Not Required     | 2 of same language |
| Additional Core   | Not Required     | 1                  |
| Electives   | 8                | 5                  |
| <b>Total Credits</b>  | <b>26</b>        | <b>26</b>          |

\*Transfer students are only required to earn Bible credits during the years they are enrolled at Westside.

## Course Selection Template

The table below describes when students take required classes. Classes listed within parentheses provide additional rigor and are not required for either our Standard or Advanced Diplomas. Classes in **bold** may be used for concurrent college credit for an additional fee.

|                 | Freshman                    | Sophomore                    | Junior  | Senior   |
|-----------------|-----------------------------|------------------------------|---|--|
| Bible           | Bible 9                     | Bible 10                     | Bible 11  | Bible 12   |
| English         | English 9 (H)               | English 10 (H)               | English 11 ( <b>AP</b> )                                    | English 12 ( <b>AP</b> )   |
| Math            | Algebra 1 or<br>Geometry    | Geometry or<br>Algebra 2 (H) | Algebra 2(H),<br>Statistics, or<br><b>AP Pre-Calculus</b>   | (Statistics,<br><b>AP Pre-Calculus,</b><br><b>AP Calculus AB or</b><br><b>BC</b> ) |
| Social Science  | World History ( <b>AP</b> ) | NA                           | US History ( <b>AP</b> )                                    | <b>Gov't/Econ (H)</b>  |
| Science         | Biology                     | Chemistry                    | NA  | Any  |
| World Languages | Spanish 1 or 2<br>French 1  | Spanish 2 or 3<br>French 2   | Spanish 3 or 4<br>French 3                                  | Spanish 4 or 5<br>French 4   |
| PE              | NA                          | NA                           | If not already fulfilled<br>through sports<br>participation | NA   |
| Elective        | 1-2 electives               | 1-2 electives                | 2-3 electives (or 1<br>w/PE)                                | 2-3 electives  |

H = Honors class option

AP = Advanced Placement option

Other **Concurrent Credit** eligible courses: **Anatomy, AP Studio Art, AP Biology, AP Chemistry, AP Physics 1, AP European History**

### 2025-2026 Electives

3-D Art & Design  
Advanced Art  
Advanced Digital Design  
AP European History  
AP Studio Art  
Choir  
Computer Integrated Manufacturing  
Conceptual Physics

Concert Band (tryout)  
Digital Design  
Digital Photography  
Intro to Art  
Intro to Business (1 sem long)  
Intro to Engineering Design  
Intro to Theatre  
Life Skills (application)

Personal Finance (1 sem long)  
Principles of Engineering  
Soli Deo Gloria (tryout)  
Strength & Conditioning  
Treble Choir (tryout)  
Worship Team (tryout)  
Yearbook (application)

### **Academic Policies Related to Scheduling & Course Selection**

1. Advanced Diploma candidates should consider taking their “additional core” class as a third year of World Languages to fulfill admission requirements at some colleges. Core classes are considered to be Math, English, Science, Social Science and World Languages.
2. Students may receive one full PE credit through participation in two seasons of an OSAA-sanctioned sports team at Westside or at your public school. Students will receive a grade of P, rather than A through F for this credit. Students do not have to earn the entire credit in the same school year. If a student takes a regular PE class in the future, the credit earned through sports participation will be removed from their transcript.
3. Students may take one credit in an online or correspondence format during their enrollment at Westside but this course may not be a “Core” class (English, Math, Science, Social Science, or World Language) without an appeal to the Head of School.
4. Students are required to have a full schedule of 7 classes each year until their senior year when they may reduce their load to as few as 5 classes.
