Dear Parent,

Since 1949, Grand Canyon University (GCU), located in Phoenix, has provided quality, affordable, Christian education. Because your student attends a private Christian high school that works directly with GCU, they may be eligible to receive an annual \$5,000 Canyon Christian Schools Consortium (CCSC) Scholarship for on-campus residents or annual \$2,500 CCSC Scholarship for off-campus residents, which could total up to \$20,000 toward college tuition over the course of four years.

To be considered, your student must apply to GCU and meet the minimum acceptance criteria. This scholarship is renewable under the following conditions:

- Maintain the minimum required GCU GPA
- Attend the weekly Chapel service on campus
- Meet the 20-hour community service requirement each semester

Additionally, based on your student's grade point average, they may be eligible for GCU academic scholarships and grants, including GCU's Priority Registration Grant and the Computer Science, Information Technology and Engineering Program Grant. Visit [gcu.edu/CampusScholarships](http://gcu.edu/CampusScholarships) to learn more about these programs.

The average student on GCU's campus only paid approximately \$8,300\* in tuition for the 2015-2016 academic year after GCU scholarships were applied. Additionally, room and board packages are extremely affordable, starting at \$6,250\* per year.

To help you learn more about GCU, we have an admissions representative in your area who works with high school students. If you are interested in learning more about grant and scholarship opportunities, attending an information session or scheduling an appointment, please have your student submit a free online application at [gcu.edu/ApplyNow](http://gcu.edu/ApplyNow) and a university representative will contact you.

If your student is accepted to GCU, they will be eligible to attend Discover GCU—a free, overnight, chaperoned visit to campus to get all questions answered and an inside view on what it's like to be a student at GCU.

Choosing the right university is an important decision. We're confident your student will enjoy our close-knit community, where students develop lifelong friendships and have ample opportunities to get involved. At GCU, you're not just another face in the crowd—you're at a university where you belong. After all, your student deserves a valuable, personalized college experience.

**We look forward to speaking with you soon!**

Sincerely,  
Office of Admissions, Undergraduate Studies
