

Westside Christian High School Instructions for Creating a ParentsWeb Account

1. Both parents and students should create ParentsWeb accounts even though the majority of the information you see is the same whether you are a parent or a student. Start to create and account by going to: <https://logins2.renweb.com/logins/ParentsWeb-Login.aspx> and clicking on Create New ParentsWeb Account at the bottom left side of the page.

3. An email will be sent to you. Go to that email and click on the link provided in it. You'll be taken to a page which looks like this:

Change/Create Password

Name	Person ID	User Name	Password	Confirm	
Scott Ball	11145	<input type="text" value="sball"/>	<input type="password" value="*****"/>	<input type="password"/>	<input type="button" value="Save User Name and/or Password"/>

Use the system-generated User Name or provide your own. Create your password and confirm it. The password has to be at least 6 characters long and include both letters and numbers. Once you click the “Save” button go back to this page and log in:

<https://logins2.renweb.com/logins/ParentsWeb-Login.aspx>

Bookmark this page or enter ParentsWeb from the button on the home page of the Westside website. Depending on what time of the school year you've logged in, some items might not be available. Search around a bit to familiarize yourself with where various pieces of information are located.
